Students should register only for core courses in Section One that are in their qualifying area. If there are any questions, contact your student's case manager or counselor. (Note: SPED is an acronym for Special Education.)

Students Receiving AAP/Highly Capable Services: These students will be automatically placed into AAP classes based on current year placements or information from the district. Math placement will also be determined by the district. Students should register only for core courses in Section One that are not in their qualifying area.
